

LLAIS PEDR

HELLO YELLOW

Wrth i ni ddathlu Diwrnod Melyn, rydym yn cael ein hatgoffa am bwysigrwydd gofalu am ein iechyd meddwl a'n lles, siarad yn agored am sut rydym yn teimlo ac, yn bwysigaf oll, edrych ar ôl ein gilydd.

Mae'n anodd credu mai dim ond pythefnos sydd ar ôl o hanner tymor cyntaf y flwyddyn academaidd hon. Mae wedi bod yn ddechrau hynod gadarnhaol a llwyddiannus, a hoffem ddiolch i'n disgyblion, staff, llywodraethwyr, rhieni a gofalwyr am y gefnogaeth, y gwaith caled a'r ymroddiad sydd wedi gwneud hyn yn bosibl.

Wrth i ni nesáu at y pythefnos olaf, mae ein neges i bawb yn syml: daliwch ati a rhowch eich gorau glas. Gadewch i ni orffen yr hanner tymor mor gryf a chadarnhaol ag y gwnaethom ei ddechrau, gan barhau i fod yn garedig â ni ein hunain a'n gilydd.

Felly, gadewch i ni annog ein disgyblion a'ch plant i wneud y gorau o'r pythefnos olaf hyn: gweithio'n galed, bod yn garedig, gofalu am ei gilydd a rhoi eu gorau glas!

As we celebrate Hello Yellow Day, we are reminded of just how important it is to look after our mental health and wellbeing, to talk openly about how we are feeling and, above all, to look out for one another.

It is hard to believe that we have just two weeks remaining of the first half term of this academic year. It has been an extremely positive and successful start, and we would like to thank our pupils, staff, governors, parents and carers for the support, hard work and commitment that have made this possible.

As we approach the final two weeks, our message to everyone is simple: keep going and give of your very best. Let's finish the half term as strongly and positively as we started it, while continuing to be kind to ourselves and to each other.

So let's encourage our pupils and your children to make these final two weeks count: work hard, be kind, look after one another and give of their very best!

Be Kind

Cofion cynnes,
Mrs Carys Morgan

It's Cool To be Kind

ADBORTH / FEEDBACK

Yn Ysgol Bro Pedr, rydym wedi ymrwymo i sicrhau bod adborth yn cefnogi dysgu ystyrlon ac yn helpu pob disgybl i wneud cynnydd. Mae ymchwil yn dangos mai'r adborth mwyaf effeithiol yw'r adborth sy'n helpu disgyblion i ddeall beth maent wedi'i wneud yn dda, nodi'r camau nesaf yn eu dysgu, a rhoi cyfleoedd iddynt weithredu ar y cyngor a roddir.

Yn hytrach na dibynnu'n llwyr ar sylwadau ysgrifenedig, rydym yn defnyddio amrywiaeth o ddulliau adborth, gan gynnwys adborth llafar, hunanasesu ac asesu gan gyfoedion, adborth dosbarth cyfan, a chyfleoedd penodol i fyfyrio a gwella gwaith. Mae'r dulliau hyn yn galluogi athrawon i ddarparu adborth amserol a phwrpasol, tra'n annog disgyblion i gymryd rôl weithredol yn eu datblygiad eu hunain.

Mae'r tudalennau nesaf yn amlinellu'r strategaethau adborth a ddefnyddir ar draws yr ysgol ac yn esbonio sut maent yn cefnogi disgyblion i ddatblygu hyder, annibyniaeth a dealltwriaeth ddyfnach o'u dysgu. Trwy weithio gyda'n gilydd, gallwn sicrhau bod adborth yn arf pwerus sy'n arwain at welliant a llwyddiant i bob dysgwr.

At Ysgol Bro Pedr, we are committed to ensuring that feedback supports meaningful learning and helps every pupil make progress. Research shows that feedback is most effective when it helps pupils understand what they have done well, identify their next steps, and provides opportunities to act on the advice they receive. Rather than relying solely on written comments, our approach uses a range of feedback strategies, including verbal feedback, self and peer assessment, whole-class feedback and dedicated improvement and reflection time. These approaches allow teachers to provide timely, purposeful feedback while encouraging pupils to take an active role in improving their learning.

The following pages outline the feedback strategies we use across the school and explain how they help pupils develop confidence, independence and a deeper understanding of their learning.

STRATEGAETHAU ADBORTH YSGOL BRO PEDR CEFNOGI DYSGU EFFEITHIOL TRWY DDULLIAU ADBORTH SEILIEDIG AR YMCHWIL

Ffocws ar Adborth, Nid Marcio...
Ym Mro Pedr, credwn dylai adborth fod yn amserol, gweithredadwy, gan wneud defnydd o amryw o strategaethau gwahanol. Pwysleisir EEF "written marking alone is unlikely to improve learning outcomes if not combined with meaningful feedback strategies." Rydym, felly, yn osgoi amserlenni marcio anhyblyg ac yn canolbwyntio ar strategaethau sy'n cael yr effaith fwyaf cadarnhaol ar ddysgu a datblygiad myfyrwyr.

01 Adborth Lafar

- **Beth yw e'?**: Mae athrawon yn rhoi adborth amser real yn ystod gwersi neu weithgareddau grŵp, gan helpu myfyrwyr i wneud cywiriadau a gwelliannau yn y fan a'r lle.
- **Pam mae'n gweithio**: Mae'r EEF yn nodi y 'gall adborth di-oed fod yn fwy effeithiol nag oedi cyn rhoi adborth' am ei fod yn helpu myfyrwyr i wneud addasiadau ar y pryd tra mae'r dysgu dal yn ffres.
- **Esiampl**: Mae athrawon yn mynd o amgylch y dosbarth gan wneud sylwadau ar berfformiad y myfyrwyr yn ystod gwaith annibynnol.

02 Adborth Ysgrifenedig

- **Beth yw e'?:** Sylwadau penodol ar waith myfyriwr, gan ganolbwyntio ar beth aeth yn dda a beth ellir ei wella.
- **Pam y mae'n gweithio:** Mae ymchwil yn dangos y 'dylai adborth ganolbwyntio ar nodau a strategaethau dysgu penodol' (EEF), gan helpu myfyrwyr i ddeall yn glir beth yw eu camau nesaf.
- **Enghraifft:** Yn lle graddau syml, mae athrawon yn darparu sylwadau adeiladol ar sut y gall myfyrwyr wella'r ffordd maent yn cwblhau eu tasgau.

03 Hunan Asesu/Asesu Cyfoed

- **Beth yw e'?:** Gall myfyrwyr asesu eu gwaith eu hunain neu waith eu cyfoedion yn erbyn meini prawf a osodwyd, gan feithrin y gallu i fyfyrio a dysgu'n annibynnol.
- **Pam y mae'n gweithio:** Mae'r EEF yn pwysleisio bod 'hunan-reoleiddio a myfyrio yn ffyrdd grymus o helpu myfyrwyr i wneud cynnydd' gan ganiatáu iddyn nhw berchnogi eu dysgu.
- **Enghraifft:** Mae myfyrwyr yn gwerthuso gwaith ei gilydd, gan ddefnyddio meini prawf llwyddiant i nodi beth weithiodd yn dda a beth ellir ei wella.

04 TAG

- **Beth yw e'?:** Neilltuo amser yn y stafell ddosbarth i fyfyrwyr ystyried yr adborth a gwneud gwelliannau i'w gwaith.
- **Pam y mae'n gweithio:** Mae'r EEF yn pwysleisio bod 'myfyrwyr angen amser i weithredu ar yr adborth' er mwyn iddo fod yn effeithiol.Mae amser TFI (Tasg, Adborth, Gwelliant) yn sicrhau bod myfyrwyr yn prosesu adborth ac yn ei roi ar waith i wella eu dealltwriaeth a'u sgiliau.
- **Enghraifft:** Ar ôl derbyn adborth, mae'r myfyrwyr yn treulio amser yn adolygu eu gwaith neu'n cwblhau tasgau'n seiliedig ar yr awgrymiadau a wnaed gan eu hathro. Gall hwn hefyd fod yn gyfle i ail-edrych ar, ac ail-addysgu camsyniadau cyffredin.

05 Dosbarth Cyfan

- **Beth yw e'?:** Yn hytrach na darparu adborth ysgrifenedig unigol ar bob darn o waith, mae athrawon yn rhoi adborth i'r dosbarth cyfan i fynd i'r afael â thueddiadau a chryfderau cyffredin, a meysydd i'w gwella a welwyd yng ngwaith y myfyrwyr.
- **Pam y mae'n gweithio:** Mae ymchwil yn dangos bod 'adborth dosbarth cyfan yn caniatáu i athrawon dargedu'r materion mwyaf perthnasol a darparu camau ymarferol y gall y dosbarth cyfan eu cymryd' (EEF).
- **Enghraifft:** Ar ôl adolygu set o lyfrau, mae'r athro'n tynnu sylw at gryfderau a chamsyniadau cyffredin, a meysydd i'w gwella ar gyfer y dosbarth cyfan, ac yna'n darparu enghreifftiau o atebion neu strategaethau i gywiro camgymeriadau.

BETH WELWCH CHI YN EIN LLYFRAU ...

- Beth yw e'?: Mae ein hadborth codau lliw o fewn llyfrau myfyrwyr yn eu helpu i ymateb i adborth a chanolbwyntio ar brif feysydd i'w gwella.
- Pam y mae'n gweithio: Mae'r dull clir a gweledol hwn yn helpu myfyrwyr i nodi'n hawdd beth maen nhw'n ei wneud yn dda a beth sydd angen ei wella.

PORFFOR

Mae athrawon yn defnyddio inc porffor ar gyfer adborth ysgrifenedig. Rydym yn dewis porffor yn hytrach na coch am ei fod â naws llai negyddol a mwy cefnogol, sy'n hyrwyddo amgylchedd dysgu positif lle mae adborth yn teimlo'n adeiladol yn hytrach na beirniadol.

PINC PERFFAITH

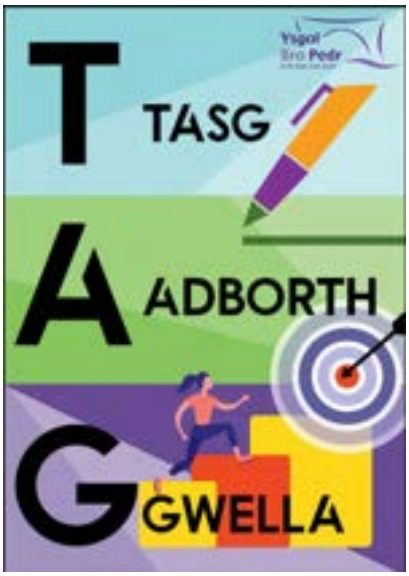

Yn cael ei ddefnyddio gan athrawon i dynnu sylw at bwyntiau cryf a meysydd lle mae'r myfyrwyr yn rhagori.

AROLEUWR GWYRDD

Yn cael ei ddefnyddio gan athrawon i nodi meysydd sydd angen eu gwella neu lle mae angen gwneud gwaith pellach.

GWYRDD

Yn cael ei ddefnyddio gan fyfyrwyr i ymateb i adborth yr athro a gwneud gwelliannau.

Mae amser TAG yn rhan hanfodol o'r broses adborth yn Ysgol Bro Pedr, ac mae'n caniatáu i fyfyrwyr weithredu ar yr adborth maent yn ei dderbyn a gwneud gwelliannau i'w gwaith. Dyma fanylion am y ffordd mae myfyrwyr yn elwa o amser TAG:

Myfyrio ar Adborth:
Mae myfyrwyr yn cymryd yr amser i adolygu'r sylwadau a'r awgrymiadau a wnaed gan athrawon, cyfoedion, neu yn sgil hunanasesu.

Cywiro Camsyniadau:
Defnyddir amser TAG i nodi a chywiro unrhyw gamddealltwriaeth neu gamsyniadau a gododd yn ystod y broses ddysgu.

Cyfle i Ail-addysgu:
Gall athrawon ddefnyddio amser TAG i ail-addysgu cysyniadau neu sgiliau penodol a oedd yn heriol i'r myfyrwyr, gan sicrhau eu bod yn deall y deunydd yn well.

Gwneud Gwelliannau:
Mae myfyrwyr yn cael cyfle i weithredu'n uniongyrchol ar yr adborth er mwyn gwella eu gwaith, neu eu dealltwriaeth o bwnc.

Defnyddio Pen Ysgrifennu Gwyrdd ar gyfer Ymatebion:
Yn ystod amser TAG, mae myfyrwyr yn defnyddio pen ysgrifennu gwyrdd i wneud cywiriadau, i ateb cwestiynau'r athro, neu i fireinio eu gwaith ar sail yr adborth.

Canolbwyntio ar Feysydd a Dargedwyd:
Mae amser TAG yn helpu myfyrwyr i ganolbwyntio ar y meysydd penodol sydd angen eu gwella, gan roi mwy o ffocws i'r dysgu a'i wneud yn fwy effeithiol.

Hyrwyddo Dysgu Annibynnol:
Trwy ymateb i adborth yn annibynnol, mae myfyrwyr yn datblygu sgiliau hunan-reoleiddio a'r gallu i feddwl yn feirniadol.

Annog Meddylfryd Twf:
Mae'n rhoi pwyslais ar ddysgu yn sgil adborth fel proses barhaus, gan helpu myfyrwyr i ystyried heriau fel cyfleoedd twf.

Mae amser TAG yn hanfodol er mwyn troi adborth yn gamau ymarferol, gan sicrhau cynnydd parhaus yn y dysgu.

FEEDBACK STRATEGIES AT BRO PEDR SCHOOL SUPPORTING EFFECTIVE LEARNING THROUGH RESEARCH-BASED FEEDBACK APPROACHES

Why We Focus on Feedback, Not Marking...

At Bro Pedr School, we believe feedback should be timely, actionable, and varied. The EEF points out that "written marking alone is unlikely to improve learning outcomes" if not combined with meaningful feedback strategies. We, therefore, avoid rigid marking schedules and focus on strategies that have the most positive impact on student learning and development.

01 Immediate Verbal Feedback

- **What it is**: Teachers give real-time feedback during lessons or group activities, helping students make corrections and improvements on the spot.
- **Why it works**: The Education Endowment Foundation (EEF) states that "immediate feedback can be more effective than delayed feedback" as it helps students make timely adjustments while the learning is still fresh.
- **Example**: Teachers circulate in class, providing comments on student performance during independent work.

02 Written Feedback

- **What it is**: Targeted comments on student work, focusing on what went well and what can be improved.
- **Why it works**: Research shows that "feedback should focus on specific learning goals and strategies" (EEF), helping students understand their next steps clearly.
- **Example**: Instead of simple grades, teachers provide constructive comments on how students can improve their approach to tasks.

03 Peer and Self-Assessment

- What it is: Students assess their own or their peers' work against set criteria, fostering reflection and independent learning.
- Why it works: The EEF emphasizes that "self-regulation and reflection are powerful drivers of student progress" as students take ownership of their learning.
- Example: Students evaluate each other's work, using a success criteria noting what worked well and what can be improved.

04 TFI Time

- **What it is**: Allocating classroom time for students to reflect on feedback and make improvements to their work.
- **Why it works**: The EEF stresses that "students need time to act on feedback" for it to be effective. TFI time ensures that students process feedback and apply it to improve their understanding and skills.
- **Example**: After receiving feedback, students spend time revising their work or completing tasks based on the suggestions provided by their teacher. This can also be an opportunity to revisit, reteach common misconceptions

05 Whole Class

- **What it is**: Rather than providing individual written feedback on every piece of work, teachers offer whole-class feedback to address common trends, strengths, and areas for improvement observed in students' work.
- **Why it works**: Research shows that "whole-class feedback allows teachers to target the most relevant issues and provide actionable steps to the entire class" (EEF).
- **Example**: After reviewing a set of books, a teacher highlights common strengths, misconceptions, and areas for improvement with the entire class, and then provides model answers or strategies for correcting errors.

WHAT YOU WILL SEE IN OUR BOOKS....

- What it is: Our color-coded feedback system within students' books helps them respond to feedback and focus on key areas of improvement.
- Why it works: This clear and visual approach helps students easily identify what they're doing well and where they need to improve.

PURPLE PEN

Teachers use purple ink for written feedback. We choose purple over red as it has a less negative, more supportive tone, encouraging a positive learning environment where feedback feels constructive rather than critical.

PERFECT PINK

Used by teachers to highlight strong points and areas where students excel.

GREEN HIGHLIGHTER

Used by teachers to indicate areas that need improvement or where further work is required.

GREEN PEN

Used by students to respond to teacher feedback and make improvements.

TFI time is a crucial part of the feedback process at Bro Pedr School, allowing students to act on the feedback they receive and make improvements to their work. Here's a breakdown of how TFI time benefits students:

Reflect on Feedback:
Students take time to review the comments and suggestions provided by teachers, peers, or self-assessments.

Address Misconceptions:
TAG time is used to identify and correct any misunderstandings or misconceptions that arose during the learning process.

Opportunity for Re-Teaching:
Teachers may use TAG time to re-teach specific concepts or skills that students found challenging, ensuring they have a better grasp of the material.

Make Improvements:
Students are given the opportunity to directly apply the feedback to improve their work or understanding of a topic.

Use Green Pen for Responses:
During TFI time, students use a green pen to make corrections, answer teacher questions, or refine their work based on feedback.

Focus on Targeted Areas:
TFI time helps students concentrate on the specific areas where improvement is needed, leading to more focused and effective learning.

Promotes Independent Learning:
By responding to feedback independently, students develop skills in self-regulation and critical thinking.

Encourages a Growth Mindset:
Emphasizes learning from feedback as an ongoing process, helping students view challenges as opportunities for growth.

TFI time is essential for turning feedback into actionable steps, ensuring continuous progress in learning.

Prif Swyddogion

It was great to hold our first Senedd meeting for this year on Friday, 9th of October. There was representation from each of our forums namely the Year, Welshness, Humanitarian, Equality, Learning and Teaching, Health and Wellbeing, Eco and Digital forums. Charley Wood chaired the meeting with Tom Biddulph as secretary.

It was an opportunity for members from Years 2 to 13 to voice their opinion on various issues in the school that are important to them.

Ensuring that our voice as learners is heard is very important to the school and the Senedd is an opportunity for us to voice our opinion. To ensure that issues raised are implemented, we as Head Prefects will attend a Leadership Team meeting so that we can take further action.

At our first meeting, we discussed a number of issues including the worrying situation of our toilets, the availability and state of laptops, Radio Bro Pedr, the play equipment of our primary age pupils, our Wellbeing Afternoon and recycling responsibily.

Thank you to our fellow students for mature conversations. The Senedd looks forward to our next meeting.

EIN PRYNHAWN LLES

3 GOOD HEALTH AND WELL-BEING

Wrth i ni nodi Diwrnod Iechyd Meddwl y Byd yr wythnos hon, roeddem yn falch iawn o ystyried llwyddiant ein Prynhawniau Lles ar gyfer Blynyddoedd 7-9, sy'n cael eu cynnal bob dydd Gwener yn Ail Wythnos ein hamserlen. Mae'r sesiynau hyn yn cynnig cyfleoedd gwerthfawr i ddisgyblion gymryd rhan mewn gweithgareddau sy'n hyrwyddo iechyd corfforol, perthnasoedd cadarnhaol, hyder a lles emosiynol.

Gall disgyblion gymryd rhan mewn amrywiaeth eang o glybiau a gweithgareddau, gan gynnwys ffitrwydd Hyrox, cerdded, dartiau, dadlau, crefftau, gemau a choginio, gan sicrhau bod rhywbeth i bawb ei fwynhau. Mae wedi bod yn wych gweld disgyblion yn rhoi cynnig ar brofiadau newydd, datblygu sgiliau newydd a meithrin cyfeillgarwch y tu hwnt i'w dosbarthiadau arferol.

Yn Ysgol Bro Pedr, credwn fod cefnogi lles yr un mor bwysig â chefnogi llwyddiant academaidd, ac mae'r prynhawniau hyn yn helpu i greu cymuned ysgol iach, gytbwys a ffyniannus.

OUR WELLBEING AFTERNOON

3 GOOD HEALTH AND WELL-BEING

As we marked World Mental Health Day this week, we were delighted to reflect on the success of our Wellbeing Afternoons for Years 7-9, held every Friday in Week 2 of our timetable. These sessions provide valuable opportunities for pupils to take part in activities that promote physical health, positive relationships, confidence and emotional wellbeing.

Pupils can participate in a wide range of clubs and activities, including Hyrox fitness, walking, darts, debating, crafts, games and cooking, ensuring there is something for everyone to enjoy. It has been wonderful to see pupils trying new experiences, developing new skills and building friendships beyond their usual classes.

At Ysgol Bro Pedr, we believe that supporting wellbeing is just as important as supporting academic success, and these afternoons are helping to create a healthy, balanced and thriving school community.

PHONE-FREE CULTURE

Ein disgyblion ar Newyddion S4C
Roeddem yn hynod falch o'n disgyblion Blwyddyn 8 a ymddangosodd ar Newyddion S4C yn ddiweddar i drafod effaith ein diwylliant di-ffôn yn yr ysgol. Siaradodd ein disgyblion yn hynod aeddfed a hyderus am sut maent bellach yn sgwrsio mwy wyneb yn wyneb, yn cymdeithasu, yn canolbwyntio mwy yn y gwersi ac yn chwarae gemau amser egwyl a chinio yn dilyn cyflwyno ein diwylliant di-ffôn.
Llongyfarchiadau mawr iddynt am gynrychioli ein hysgol mor arbennig!

Our pupils on S4C News
We were extremely proud of our Year 8 pupils who recently appeared on S4C News to discuss the impact of our phone-free culture at the school. Our pupils spoke with great maturity and confidence about how they now converse more face-to-face, socialise, concentrate better in lessons,and play games during break and lunch times following the introduction of our phone-free culture.
Huge congratulations to them for representing our school so brilliantly!

PLENTYNDOD HEB FFÔN CLYFAR
SMARTPHONE FREE CHILDHOOD

Yn Ysgol Bro Pedr, rydym yn falch o gefnogi ymgyrch Plentyndod Heb Ffôn Clyfar. Credwn y dylai plentyndod fod yn llawn cyfleoedd i siarad, chwarae, dysgu, cymdeithasu a meithrin perthnasoedd ystyrlon wyneb yn wyneb, heb y tynnu sylw a'r pwysau cyson y gall ffonau clyfar eu hachosi. Mae gan dechnoleg le pwysig yn ein bywydau, ond credwn hefyd fod ein plant yn haeddu'r amser a'r gofod i feithrin cyfeillgarwch, cyfathrebu wyneb yn wyneb, cymryd rhan mewn gweithgareddau ymarferol, canolbwyntio ar eu dysgu a mwynhau'r profiadau sy'n gwneud plentyndod yn arbennig.

Mae ein diwylliant di-ffôn yn yr ysgol eisoes yn helpu ein disgyblion i fod yn fwy presennol, cyfathrebu â'i gilydd a mwynhau eu hamser egwyl ac amser cinio gyda'i gilydd. Drwy weithio mewn partneriaeth â rhieni a gofalwyr, rydym yn gobeithio annog agwedd iach a chytbwys tuag at dechnoleg, gan roi'r gofod i'n plant a'n pobl ifanc fwynhau plentyndod cyhyd â phosibl.

SMARTPHONE FREE CHILDHOOD

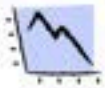

At Ysgol Bro Pedr, we are proud to support the Smartphone Free Childhood movement. We believe that childhood should be filled with opportunities to talk, play, learn, socialise and build meaningful relationships face to face, without the constant distraction and pressures that smartphones can bring. Technology has an important place in our lives, but we also believe our children deserve the time and space to develop friendships, communicate face to face, be active, concentrate on their learning and enjoy the experiences that make childhood special.

Our phone-free culture in school is already helping our pupils to be more present, communicate with one another and enjoy their break and lunchtime together. By working in partnership with parents and carers, we hope to encourage a healthy and balanced approach to technology, giving our children and young people the space to enjoy childhood for as long as possible.

SMARTPHONE FREE CHILDHOOD

Kids and smartphones – what's the big deal?

Opportunity cost

More scrolling mean less time for play, movement, reading and real-life connection – the building blocks of a healthy childhood.

Harmful content

Extreme, explicit content is just a click away – often served by algorithms, even when kids aren't looking for it.

Mental health

Since smartphones became widespread, teen anxiety, depression and self-harm have surged. Early use is linked to poorer mental health.

Addiction

Apps are designed to hook kids in. The longer they scroll, the more money tech companies make – at any cost.

Attention

Smartphones hijack focus. Constant pings and notifications make it harder for kids to concentrate, learn, and enjoy deep focus.

Family life

Phones can quietly dominate home life – fuelling arguments, draining attention, and crowding out real connection between parents and kids.

Cyberbullying

Fallouts don't end at school anymore. They follow kids home, with no off switch and nowhere to escape the pressure.

Sleep

Blue light and late-night scrolling disrupt rest and recovery – leaving kids wired, overtired, and struggling to function the next day.

Grooming

Predators target kids on popular apps like TikTok and Snapchat – especially when they first get unsupervised smartphone access.

SMARTPHONE FREE CHILDHOOD

Join the growing movement of parents choosing to delay smartphones and social media.

COFFI A CHLONC

Diolch yn fawr i'r holl rieni a ddaeth i'n prynhawn Coffi a Chlonc yr wythnos hon. Roedd yn gyfle gwych i gael sgwrs anffurfiol am sut mae eu plant yn ymdopi ac yn ymgartrefu yn yr ysgol newydd yn ystod yr hanner tymor cyntaf. Roedd yn hyfryd cael rhannu profiadau, ateb cwestiynau a chryfhau'r berthynas rhwng y cartref a'r ysgol. Diolch i bawb am eu cefnogaeth barhaus!

Mae'r gwobrau mawreddog hyn yn dathlu'r gwaith gorau o blith myfyrwyr Dylunio a Thechnoleg ledled Cymru ac yn rhoi'r cyfle i brosiectau eithriadol gael eu harddangos i gynulleidfa ehangach. Mae cael eich dewis yn gydnabyddiaeth o safon uchel y gwaith dylunio, creadigrwydd a'r ymroddiad a ddangoswyd drwy gydol eu hastudiaethau. Y disgyblion a gafodd y fraint o weld eu gwaith yn cael ei arddangos oedd:

YMARFERION EIN CYNHYRCHIAD YSGOL
OUR SCHOOL PRODUCTION PRACTICES

Wrth i'r cyffro gynyddu ar gyfer ein cynhyrchiad o School of Rock, mae ein disgyblion talentog wedi bod yn gweithio'n hynod galed y tu ôl i'r llenni. Mae ymarferion yn cael eu cynnal yn ystod amserau egwyl a chinio ac ar ôl ysgol, gyda'r disgyblion yn dangos ymrwymiad ac angerdd aruthrol wrth iddynt baratoi ar gyfer y perfformiad.

Er mwyn lleihau unrhyw effaith ar ddysgu ac amser gwersi, bydd nifer o ymarferion hefyd yn cael eu cynnal ar ddyddiau Sul. Rydym yn ddiolchgar iawn am gefnogaeth rhieni a gofalwyr wrth helpu disgyblion i fynychu'r sesiynau pwysig hyn. Mae mynychu ymarferion yn rheolaidd yn hanfodol er mwyn sicrhau bod y cynhyrchiad yn llwyddiant.

Os na all disgybl fynychu ymarfer, mae'n bwysig cysylltu â'r ysgol yn brydlon fel y gellir gwneud trefniadau priodol. Diolch am eich cefnogaeth barhaus, ac edrychwn ymlaen at rannu sioe sy'n addo bod yn wych gyda'n cymuned.

As excitement continues to build for our upcoming production of School of Rock, our talented pupils have been working incredibly hard behind the scenes. Rehearsals are taking place during breaktimes, lunchtimes and after school, with pupils showing tremendous commitment and enthusiasm as they prepare for the performance.

To minimise any impact on learning and lesson time, a number of rehearsals will also take place on Sundays. We are very grateful for the support of parents and carers in helping pupils attend these important sessions.

Regular attendance at rehearsals is essential to ensure the production is a success. If a pupil is unable to attend a rehearsal, prompt communication with the school is important so that appropriate arrangements can be made. Thank you for your continued support, and we look forward to sharing what promises to be a fantastic show with our community.

RHWYDWAITH SEREN NETWORK

Bu criw Seren Blwyddyn 12 yn Abertawe i fynychu digwyddiad croeso Academi Seren yng Ngwesty'r Marriott. Roedd yn gyfle gwych i'r disgyblion ddysgu mwy am y Rhwydwaith Seren a'r cyfleoedd cyffrous sydd ar gael iddynt. Yn ystod y dydd, cawsant wrando ar gyflwyniadau gan gynrychiolwyr prifysgolion, dysgu am y cyfleoedd i ddatblygu eu sgiliau a'u profiadau, a chlywed gan fyfyrwyr presennol a chyn-fyfyrwyr Seren am eu profiadau o'r rhaglen. Diwrnod gwerthfawr ac ysbrydoledig i'n disgyblion wrth iddynt ddechrau cynllunio ar gyfer eu dyfodol!

Our Year 12 Seren students attended the Seren Academy Welcome Event at the Marriott Hotel in Swansea. It was a fantastic opportunity for students to learn more about the Seren Network and the exciting opportunities available to them. Throughout the day, students listened to presentations from university representatives, explored opportunities to develop their skills and experiences, and heard from current and former Seren students about their experiences of the programme. A valuable and inspiring day for our students as they begin exploring their options and planning for the future.

WYTHNOS SEICLO'N DDIOGEL
CYCLE SAFE WEEK

Hyfforddiant Beicio'n Fedrus
Yn ystod Wythnos Beicio i'r Ysgol, mae ein disgyblion Blwyddyn 6 wedi bod yn ffodus i gymryd rhan mewn sesiynau Beicio'n Fedrus. Mae'r plant wedi mwynhau datblygu eu sgiliau beicio, dysgu am bwysigrwydd diogelwch ar y ffyrdd, a chael cyfleoedd gwerthfawr i ymarfer mewn amgylchedd diogel a chefnogol.
Mae'r hyfforddiant wedi helpu i feithrin eu hyder wrth feicio ac wedi eu hannog i fabwysiadu arferion diogel
Da iawn i'r holl ddisgyblion am eu hymdrechion a'u hagwedd gadarnhaol drwy gydol y sesiynau!

Cycling Proficiency Training.
During our Cycle to School Week, our Year 6 pupils have been fortunate to take part in cycling proficiency training sessions. The children have enjoyed developing their cycling skills, learning about the importance of road safety, and gaining valuable opportunities to practise in a safe and supportive environment.
The training has helped to build their confidence as cyclists and has encouraged them to adopt safe cycling habits.
Well done to all the pupils for their effort and positive attitude throughout the sessions!

ATGOFFA AM DDIOGELWCH FFYRDD I FEICWYR
ROAD SAFETY REMINDER FOR CYCLISTS

Diolch i aelod o'r gymuned a gysylltodd â ni yr wythnos hon i godi pryder am ddiogelwch beiciwr ifanc a welwyd yn teithio yn y tywyllwch heb oleuadau ar ei feic. Hoffem atgoffa pob disgybl a rhiant/gofalwr am bwysigrwydd sicrhau bod gan feiciau oleuadau addas a'u bod yn cael eu defnyddio wrth deithio mewn amodau tywyll neu pan mae'r gweledigaeth yn wael.
Hoffem hefyd bwysleisio pwysigrwydd gwisgo helmed bob amser wrth feicio. Mae helmed sy'n ffitio'n gywir yn gallu lleihau'r risg o anafiadau difrifol i'r pen mewn achos o ddamwain yn digwydd.
Mae mesurau syml fel defnyddio goleuadau a gwisgo helmed yn gwneud gwahaniaeth mawr i ddiogelwch ein plant ar y ffordd. Diolch am eich cefnogaeth i atgyfnerthu'r neges bwysig hon gartref.

We would like to thank a member of the community who contacted us this week to raise concerns about the safety of a young cyclist seen riding in the dark without lights on their bike. We would like to remind all pupils and parents/carers of the importance of ensuring that bicycles have suitable lights and that these are used when travelling in dark conditions or when visibility is poor.
We would also like to emphasise the importance of always wearing a helmet when cycling. A correctly fitted helmet can reduce the risk of serious head injuries in the event of an accident.
Simple measures such as using lights and wearing a helmet make a significant difference to our children's safety on the road. Thank you for your support in reinforcing this important message at home.

Rydym yn falch iawn o gyflwyno ein Llysgenhadon Chwaraeon eleni, sef Jack, Ashleigh, Lottie a Scarlett.
Byddant yn chwarae rhan bwysig wrth hyrwyddo gweithgarwch corfforol, annog cyfranogiad mewn chwaraeon a chefnogi digwyddiadau chwaraeon yr ysgol drwy gydol y flwyddyn.
Rydym yn siŵr y byddant yn esiampl wych i'w cyd-ddisgyblion ac yn cyflawni eu dyletswyddau gyda brwdfrydedd ac ymrwymiad.
Pob lwc i Jack, Ashleigh, Lottie a Scarlett, a mwynhewch y profiad!

TWRNAMAINT HOCI DYFED
DYFED HOCKEY TOURNAMENT

Bu merched Blwyddyn 10 ac 11 yn cystadlu yn Nhwrnamaint Hoci Dyfed yng Nghaerfyrddin ddydd Llun. Perfformiodd y tîm yn arbennig o dda drwy gydol y dydd, gan chwarae hoci o safon uchel yn erbyn cystadleuwyr cryf iawn.

Yn eu gemau grŵp, collwyd yn agos 2-1 yn erbyn Bro Dinefwr, enillwyd 3-0 yn erbyn Coleg Llanymddyfri, a chafwyd gêm gyfartal 0-0 yn erbyn QE High. Roedd safon y grŵp yn eithriadol o uchel, gyda QE High a Bro Dinefwr yn mynd ymlaen i orffen yn gyntaf ac yn ail yn y gystadleuaeth gyfan.

Yn anffodus, methodd y tîm â sicrhau lle yn y rownd gynderfynol ar wahaniaeth goliau yn unig, ond gall pawb fod yn falch iawn o'u hymdrech, eu hagwedd a'u perfformiadau ardderchog drwy gydol y twrnamaint.

Seren y Dydd: Deina Evans.

The Year 10 and 11 girls competed in the Dyfed Hockey Tournament in Carmarthen on Monday. The team performed exceptionally well throughout the day, playing high-quality hockey against very strong opposition.

In their group matches, they narrowly lost 2-1 to Bro Dinefwr, secured an impressive 3-0 victory over Coleg Llanymddyfri, and drew 0-0 with QE High. The standard of the group was exceptionally high, with QE High and Bro Dinefwr going on to finish first and second in the overall competition.

Unfortunately, the team missed out on a place in the semi-finals by goal difference alone, but everyone should be extremely proud of their effort, attitude, and outstanding performances throughout the tournament.

Player of the Day: Deina Evans.

Diolch i Dîm Cymunedol y Scarlets am drefnu bore hyfryd.

AMSERLEN ARHOLIADAU / EXAM TIMETABLE

Blwyddyn/Year 10 2026-2027

Mae Pennaeth Blwyddyn 10 wedi llunio calendr o'r holl ddyddiadau pwysig ar gyfer y flwyddyn academaidd i helpu disgyblion a rhieni i gynllunio ymlaen llaw. Wrth i nifer o asesiadau ac arholiadau allanol gael eu cynnal drwy gydol y flwyddyn, mae'n hanfodol bod disgyblion yn ymwybodol o'r dyddiadau hyn a'u bod yn paratoi'n briodol.

Mae presenoldeb yn allweddol bwysig i lwyddiant ym Mlwyddyn 10. Mae pob gwers yn cyfrannu at adeiladu'r wybodaeth, y sgiliau a'r hyder sydd eu hangen i berfformio'n dda yn yr asesiadau hyn. Felly, gofynnwn yn garedig i rieni a gofalwyr barchu pwysigrwydd presenoldeb rheolaidd a chydweithio â'r ysgol i sicrhau bod disgyblion yn mynychu'n gyson ac yn manteisio i'r eithaf ar bob cyfle dysgu.

Gellir gweld y dyddiadau pwysig ar y tudalennau nesaf. Diolch i chi am eich cefnogaeth barhaus wrth helpu ein disgyblion i baratoi'n effeithiol ar gyfer eu hasesiadau a'u cymwysterau.

Gyda'n gilydd, gallwn sicrhau bod pob disgybl yn cael y cyfle gorau posibl i lwyddo.

The Head of Year 10 has compiled a calendar of all the key dates for the academic year to help pupils and parents plan ahead. As a number of assessments and external examinations take place throughout the year, it is important that pupils are aware of these dates and prepare appropriately.

Attendance is critically important to success in Year 10. Every lesson plays a vital role in building the knowledge, skills and confidence needed to perform well in these assessments. We therefore kindly ask parents and carers to recognise the importance of regular attendance and work in partnership with the school to ensure that pupils attend consistently and are fully prepared for all external assessments.

Please see the following pages for a full list of important dates. Thank you for your continued support in helping our pupils prepare effectively for their assessments and qualifications.

By working together, we can ensure that every pupil has the best possible opportunity to succeed.
